DECISION TO CANCEL THE PROCUREMENT PROCEDURE

Pursuant to Sec. 127(1) of the Act Nr. 134/2016 Coll., on Public Procurement
(hereinafter referred to as the „Act“)

In accordance with the provision of Section 127(1) of the Act, the Contracting Authority hereby cancels the procurement procedure as there is no participant in the procurement procedure.

Reasons for the decision:

The Contracting Authority received only one tender within the deadline for submission of tenders. On the basis of the result of the assessment of that single tender, the Contracting Authority decided to exclude the sole participant from the procurement procedure in accordance with Section 48(2)(a) of the Act, as this participant did not meet the conditions for participation in the procurement procedure, or its tender did not meet the procurement conditions (the Contracting Authority's requirements for the subject of the public contract).

Since there is no participant in the procurement procedure, the Contracting Authority is obliged to cancel the procurement procedure pursuant to Section 127(1) of the Act.
